- **Newsletter** (Derek Cox): Nothing new.
- **Web Site** (Brian Mausolf): 2018 information updated.
- **Training** (Jim Chandler): Currently one student. Any new students please contact Jim Chandler (jchandler922@comcast.net) for orientation information. Training is planned tentatively Wednesday and Saturdays. Training typically starts around 10am.
- **Field** (Bruce Simpson): Field looks good

Old Business:

1. Jim to be reminded later in the season to have the Port-a-Potty dumped. Its not very full and recently dumped in chemicals to make it smell less bad.
2. Bush Hog to be postponed to early Spring. Field day in spring will conduct general field maintenance. Date to be scheduled in future meeting.
3. Aeromasters donated \$50 to the Moss Free Clinic

New Business:

1. All model aircraft greater than 0.55 lbs to 55lbs need to be marked with an FAA

number. Each pilot needs to get to FAA number if you have not already. Same process as before but authorized under a different law. The law was part of the Defense authorization act, which includes a limit of flying at 400 feet.

2. Future discussion to have a club meeting on a Saturday morning at Shannon Airport. To be planned in future club meeting.

Show And Tell:

1. None
