Buy and Sell

Ken Burnett has been given two old, but superb, airplanes by an elderly neighbor. They are: an LT 40 Trainer and an Ugly Stick. Both are beautifully built and contain all that is necessary to fly including 40 Royal Motors. The motors turn over easily and have good compression. The neighbor is interested in any reasonable offer. There is also a good selection of field equipment (starters, chargers, igniters, etc.) that he is willing to give away. If interested in anything please contact Ken Burnett at knjburnett@comcast.net.
