4. Larry Lycett provided an estimate on a walk behind brush cutter rental (Bush Master). They are equal to a small bush hog and are effective in removing small brush like we have. Rental is \$85.00 per day. He believes a good bit of what field needs addressed and could be done one or two days. Machine is self propelled but can be physically hard on body. If we have 3or 4 people to spread out work would be best. Membership will schedule a work day. On hold, will carry to spring.
