Club Meeting January 14

FIRST FLIGHT

It was great weather on New Year's Day for our First Flight event. About 30 people attended, including members, families, and friends. There was good conversation, flying, and plenty of burgers and hot dogs.

Pilots making their first flights of 2023 included: Ed Becker, Andre Bielima, Jim Braithwaite, Jimmy Chandler, Jimmy Dixon, Dale Hagar, Fernando Hernandez, Mike Penzo, Wayne Ploger, Tom Tucker, and Sam Yakulis.

CLUB MEETING

The next club meeting is on January 14 at 10 a.m. at the Rappahannock Library, Salem Church Branch, 2607 Salem Church Rd, Fredericksburg, Va. 22407

HAVE YOU PAID YOUR DUES?

NEW RATINGS

Dale Hagar performed a successful solo flight and received his pilot's wings in December. Congratulations!

PLANE OVERHAUL

Andre Bielema, our very own Mode 4 member, has been working to recondition his 20-year-old Hangar 9 Alpha Trainer. With a new covering and OS 46 FX engine, he has been out at the field flying this beauty quite a bit.
